December 10, 2020

Attn: CDU Students, Faculty and Staff

Campus safety and security is a high priority at Charles R. Drew University of Medicine and Science (CDU). Due to COVID-19, and recent stay at home orders issued by the State and LA County Department of Public Health and in order to maintain a high level of security and a safe-campus environment, the campus safety department will increase patrols throughout the campus.

Effective immediately, campus safety will monitor and do the following:

- Check ID’s of students, staff and faculty who are on-campus and confirm that they have the right color sticker (dot) for the day.
- Check for parking passes and vehicles authorized to park in the 118th Street lot.
- Remind groups to maintain social distance and to avoid gathering.
- Require that masks be worn while on campus.
- Place officers in buildings where classes are taking place to monitor adherence to the University’s COVID-19 protocols.

CDU’s campus community has a responsibility to be aware of and contribute to our collective safety. The cooperation of everyone can help keep our campus safe at all times. This notice serves as a reminder to all students, faculty, staff and visitors.

Please forward any questions, comments or suggestions about this reminder to the CDU Director of Risk Management, Campus Safety & Security, Armando A. Estrada at Armandoestrada@cdrewu.edu or Angela L. Minniefield, Senior Vice President of Advancement at angelaminniefield@cdrewu.edu

Thank you.

Armando A. Estrada
Director of Risk Management and Campus Safety
