Diabetes Kidney Disease

Lili Tong, MD

Associate Clinical Professor of Medicine,
Division of Nephrology and Hypertension
Harbor-UCLA Medical Center
County of Los Angeles, Department of Health Services

After attending the session, learners will be able to:

1. Articulate the key points of the LA County Department of Health Services Diabetes Kidney Disease Expected Practice.
2. Evaluate the existing comprehensive care needs based on the Diabetes Kidney Disease Expected Practice recommendations.
3. Interpret the review of the current treatment strategies for diabetic kidney disease.
