THE URBAN HEALTH INSTITUTE PRESENTS

PLACCE @CDU

A Virtual Event

A series designed to engage place-based discussions on community and public health. This year’s week of events will explore and engage critical discussions associated with the role of place on health outcomes.

November 16-20, 2020

Please enjoy selected highlighted research from some of our CDU Faculty.

Joseph Daniels, PhD

Dr. Joseph Daniels is an Assistant Professor in the College of Medicine. Click here to read about his recently published research on "HIV prevalence for men who have sex with men (MSM) and transgender women in South Africa."

Sharon Cobb, PhD, MSN, PHN, RN

Dr. Sharon Cobb is the RN-BSN Program Director and an Assistant Professor in the School of Nursing. Click here for her recently published research on depression in the African American community.

Place@CDU is supported in part by the National Institute on Minority Health and Health Disparities of the National Institutes of Health under award number S21 MD000103.
