

Greetings,

To adjust to the existing remote environment as a result of COVID-19, CDU's Mervyn M. Dymally School of Nursing has made the decision to move away from requiring the HESI exam to now requiring the TEAS to be eligible for admission to the Master of Science Nursing Entry Level program. The eligibility requirements will remain the same, you will need to score a cumulative, content area, and sub content area score of a 75% to be eligible for admission.

Please note, although you may have prepared for the HESI exam, the content of the TEAS will be the same. This change will not affect your potential to receive a passing score on the exam. The TEAS exam will be offered online through an online proctoring service. There will be an **\$82** cost to take the exam, you will have the opportunity to pay online after you have created your account. The instructions to create your account are below:

First, **RSVP through our CDU website** for the TEAS visit our website: <http://docs.cdrewu.edu/CAPTCHA/CDU-HESI-EXAMForm.asp> , then create your account following these rules:
